YES, DAN please send my "Stress Relief Bill Paying System". So I can begin to pay my bills in an organized structured timely way without all of the frustration and stress. My system comes complete with everything I need (no trips to office supply store or any where else) to get started, all I have to do is take it out of the box, set it on my desk and start feeling the stress leaving my body. My system helps me to deal with many different scenarios when it comes to paying my bills, it gives me an effective handle on what to do when I can't always pay them on time, and works just as well or better if I have always paid them on time! Including the quick start 17 minute CD to help me get started NOW! (Thanks for relieving the stress even more with your (1) year money back guarantee, if I am not completely happy with my system I just have to return to get a refund.)

**PLUS my system will show me how to fund a savings account, to be able to have money for equipment purchases, for property purchases or a fund just for emergencies! "Stress Relief is on the way"**

Please bill my credit card -\$397.77 plus \$16.47 shipping, \$26.57 for Canada, International \$55.23
